# Illustrated Steps Workshops

All Day Saturday

21st Jan 2023

## Logan Central Community Centre

9-11 Jacaranda Ave, Logan Central, Queensland  
(Corner Wembley Road & Jacaranda Avenue)

This all-day event presents an illustrated overview of the Alcoholics Anonymous Twelve Step program. Using readings from the AA Big Book and personal experience, the workshops cover the principles and actions along the way to recovery. It's a useful preparation for newcomers and an inspiration for those trying to help others through the steps. We conclude the day with a fun Rapid Fire Topic meeting where everyone can get involved.
